Architectural accessibility of the facility:

1. The building has 8 entrances, 4 of which are accessible to individuals with specific needs (3 main entrances and 1 from the garage). Access to all floors is provided by two elevators, which can be reached from the ground floor or the underground garage. The ground floor can also be accessed from Krupnicza Street, where a ramp is located on the right side of the building (near the Faculty of Law and Administration). A reception desk is located in the main lobby, where assistance and information are available.
2. Individuals using wheelchairs can enter the building from the parking level (via 2 elevators) or by using the ramp at the front of the building.
3. Glass doors and walls are marked with high-contrast tape.
4. All staircases in the building are equipped with handrails.
5. In the main lobby, the top and bottom steps of the staircases are marked with high-contrast tape.
6. Elevator buttons are not equipped with Braille markings.
7. Both elevators in the building feature voice announcements in Polish and English.
8. There are 5 restrooms for people with disabilities: 2 on the ground floor, 1 on the first floor, and 1 on the second floor.
9. The building includes an underground parking garage with designated spaces for people with disabilities. The entrance to the parking garage is located on the left side of the building, where an intercom is available for communication between drivers and building staff.
10. The building is not equipped with tactile maps (typhlomaps).
11. The building is not equipped with signs featuring raised lettering or Braille.
12. The building features an audio-based navigation system, powered by the "nawigUJ" application, installed in three critical locations: at the main entrance (on the exterior, facing Krupnicza Street), by the reception desk, and near the nearest restroom designed for individuals with specific accessibility needs.
13. The facility is accessible to people accompanied by assistance dogs, although it is not explicitly marked as such.
